---

Fellow judges,

Due to special circumstances, we are asking if any IJ is interested in moving to the brand new **Louisville Immigration Court**, due to open in **April of 2018**.

Neither the reassignment register nor the hardship reassignment register currently have any volunteers for this location. While there are possible candidates in the process, there is a critical management need to fill these positions as soon as possible. Because we have an immediate management need, we will consider judges who would otherwise not be eligible to place their names on the reassignment register (for example, due to being on the bench fewer than 24 months or having been recently reassigned – see paragraph 13.4.6 of the collective bargaining agreement with NAIJ for other bars).

If you are interested, or would like to discuss it further, please reply to DCIJ Mary Cheng and myself by close of business on 21 February 2018. As with all voluntary reassignments, the move would be at no cost to the government and while the effective date is open to discussion, our preference would be for it to happen as near to April 2018 as possible.

As a reminder you can sign up on the reassignment register for a court location at any time, there does not have to be an opening at the court when you add your name to the list.

Thank you!
